Question for you, Jenny, and I'm glad you CCed the lawyers on this: Did you tell several paid employees of Breaking Code Silence yesterday that you were going to try to somehow claim I lied in the lawsuit to try to shift the liability onto me somehow? That would be highly unethical and contrary to all the facts, chat logs, emails, witnesses to key conversations, etc of this case and between the lawyers, board members, etc. I get you're stressed about the lawsuit the entire board voted on but I'm not your sacrificial lamb when

I prefer to interact with Lisel and Tiffany from here on out only if they have anything they need of me as they are actually held to an ethical obligation and bar that you are not and I don't want to unfairly burden them. Tiffany and Lisel - I will be happy to help you both and prefer communication only with you. May I have the list of interrogatories they wanted? I believe I committed to getting that to you guys.

Hi Katie, Emily, and Rebecca,

Hope you're doing well. I'm attaching the assignment document from our attorneys as needed for the lawsuit.

Please let Tiffany (cc'd) and me know if you have any questions and then send the completed documents to me when ready. I will need to send them to Tiffany when complete instead of you doing so directly just so that we can maintain attorney client privilege as relates to these documents.

Thank you!

Attached is an assignment from Katie, Emily and Rebecca to BCS. There are a couple of holes right now, but we can finalize once provided any additional information all of you have. Please be as specific as possible with what each individual has to assign and make sure to include everything BCS related. For instance, if images or powerpoint were created please provide title or image. Note we will need this to show ownership and we have discovery due at the end of the month as Attorney Jacobs has not surprisingly denied our request for a two week extension.

Please let us know if you have any questions or would like to set a call to discuss. Thank you!

Sincerely,

Lisel
