*** EXTERNAL EMAIL - Please use Caution. ***

Please see below, the email has been changed.

Also, I did remove my company's Squirly SEO account's access to Breaking Code Silence's website. I did this within my companies account Web portal. Since I can have multiple websites on my work's account, I was letting Breaking Code Silence one of them.

I also removed the permissions within dropbox so Breaking Code Silence website isn't getting backed up into my dropbox account anymore.

Thanks,

Jeremy

Hi there, hope you are well

In order to proceed with the change of email request, we require our customers to send an email from registered email address at billing@cloudways.com and request for the same along with the current new email addresses. Moreover, we would be needing the last 4 digits of the registered card to proceed with this request.
