Greta,

I am not sure why I got these two emails.

On 7/10, I got an email saying I was the owner of Breaking Code Silence on Google. Then I got an email saying I wasn't the owner of Breaking Code Silence. Please see the attached emails.

On 6/30, acting in good faith, I removed myself from the Google account after making sure that both Katie and Jenny were added to the account as administrators / owners. Please see the attached PDF as confirmation.

Thank you,

Jeremy Whiteley

> Hi Greta,

> Thank you. I am not offended, the YouTube account I created belongs to BCS. It was just odd and since they had you reach out last week about untrue things, I want to be proactive about this.

> The only things I am offended about are the letter they sent me and Katie tossing our friendship to the trash and accusing me of things that are not true, then telling me never to contact her. It's a big slap in the face when I have always had her back, I took almost 4 months off to help out with BCS and took on personal liability. It's all super petty and sad. Even after all this, I took the high road and I acted in good faith.

> Can you please confirm that I am no longer on the YouTube account or if there is anything else I need to do from my end. The YouTube account instructions were confusing on how to transfer FYI.
