Hi Catherine,
I've confirmed that BCS moved the domain to their Hover account on Friday. It may take a few days to take effect. Please let me know if you have any questions.

 EXTERNAL MESSAGE

Hi Tamany,

Katherine McNamara confirmed that she will assist in any way necessary. She can confirm with Hover by email but suggested that BCS could always log into the account with the credentials she provided back in March and change the email address for the account to whatever email it choses:

Below are the credentials you, Johnathan, Jason and Hector received via email on March 24th from Mandana Jafarinejad:

Username: bcsplaceholder
Password: XXXXXXXXXX

Let me know what you need us to do.

Yours, Catherine

I can't imagine that she wouldn't assist. She gave BCS the credentials to the .com Hover account back in March (through her former counsel). I'm headed to a dinner meeting now and I'll be out for the rest of the day but I can confirm for you tomorrow.

Subject: RE: Your Hover domain breakingcodesilence.com is coming up for renewal in 30 days

Catherine,

BCS would like to transfer the .com domain to BCS's Hover account so that BCS can ensure it is renewed and that costs for it are paid by BCS. While we don't believe that transferring the domain to a different Hover account will disrupt the operation of the website, we would like to clarify that with Hover. My understanding is that both parties will need to connect with Hover to effectuate the transfer and that it can be done via email to help@hover.com. Please confirm your client is willing to assist with the transfer and I will obtain the BCS Hover account details for an email to Hover.

Thanks,
Tamany

Hello,

Heads up! You have some renewals coming up in 30 days. Here's all the details:

Domain	Expiry Date	Price	Auto-Renew	
breakingcodesilence.com	2022-12-22	\$21.99	ON	Renew Now

If you prefer to use your Hover account balance to pay, your available balance is \$0.00. We'll automatically use the payment method on file if your account balance is insufficient.

- Prices quoted for domains or services are subject to change and include any mailboxes you may have added to your domain. *ICANN fees and taxes are not included.*

If you don't want domains or services with auto-renew enabled to renew automatically, you should disable auto-renew in the [Hover control panel](#).

Check your billing information

We also noted that your billing information appears to be either expired or invalid. Sign in to your Hover account and update your billing information or you risk having your domain(s) expire.
