

# **EXHIBIT 79**

The screenshot shows the Google Search Console interface for the domain https://breakingcodesilence.org/. The page is titled "Ownership history" and is part of the "Users and permissions" settings. A table of events is displayed, showing three entries from March 11, 2022. The events include ownership delegation, a failed verification record deletion, and a successful verification record deletion.

| Date ↓                   | Name     | Email                            | Event   |
|--------------------------|----------|----------------------------------|---|
| Mar 11, 2022, 8:12:09 PM | jeremy   | jeremy@medtexter.com             | Ownership was delegated   |
| Mar 11, 2022, 6:57:28 PM | mhurwitt | mhurwitt@breakingcodesilence.org | Failed to delete the verification record by iristheangel (iristheangel@gmail.com) (method: HTML file) |
| Mar 11, 2022, 6:40:39 PM | mhurwitt | mhurwitt@breakingcodesilence.org | Verification succeeded (method: HTML file)  |
