A "Help" dropdown menu is visible in the top right corner. Below the navigation bar, a prominent pink banner contains the message: "This tool is going away soon. Manage your verification tokens directly in Search Console. [Learn more.](#)".

Below the banner, a paragraph of text reads: "Use the table below to manage verified owners of your properties or to add new properties to your account. Additional information about your verified properties is available at [Search Console](#)."

A red button labeled "ADD A PROPERTY" is located below the text. Underneath, a table titled "Properties" lists four verified properties, each with a "Verification details" link:
