

EXHIBIT 109

When we all stand together we are stronger! Getting stronger laws in one state help to get them in others.

I also have a post on Facebook if you want to share: <https://www.facebook.com/endseclusion/photos/a.325971491606844/832094790994509/>

Thank you for your help!

Other people for future board members when we're more formed (not now bc we have all this restructuring to do): Phil Elberg (lawyer who defended a lot of TTI survivors and famous in the TTI space)
