Subject: RE: 3MCW01-01 Credit Card Issue

Hi Tamany,

I just wanted to touch base with you to get confirmation that your client has removed all of Ms. McNamara's credit card information from any BCS accounts before the next billing cycle. Please advise.

In addition, today Mr. Whiteley received a strange notification from Facebook Support indicating that something is wrong with BCS's account and requiring a response within 10 days. A screenshot of the message is attached. As your client knows, contrary to the allegations in the Complaint, Mr. Whiteley removed himself from the Facebook account immediately after his resignation and no longer has any access to that account. The confirmation of his removal from the Facebook account more than a year ago is also attached. As a result, it is unclear why he received the notification today instead of BCS's new account manager. Most likely it was due to a glitch in Facebook's system. Anyway, I sincerely hope your client is able to resolve the issue.

Yours, Catherine

 EXTERNAL MESSAGE

Counsel,

My client, Katherine McNamara, continues to receive charges on her personal credit card for the Hootsuite account which, as your clients know, is not registered to her and to which she has not had any access whatsoever since her resignation from BCS. She intends to dispute the recent charge. To prevent your clients from incurring further liability to her, and from perpetrating credit card fraud, please remove Ms. McNamara's credit card information from the account and from any other accounts in BCS's control.

I look forward to your prompt confirmation that this request has been complied with.

Yours, Catherine

Our request

Hi,

We're reaching out because we've noticed that your charity's payout was rejected back to us by your payment provider, triggering an automatic hold until your account information is updated. We previously reached out to you via notification on your Facebook user account to resolve the issue above. Unfortunately, if we do not hear back from you with the requested documentation within the next 10 days, we will be required to revoke your access to Facebook's fundraising tools, reset your charitable giving application, and refund donors for any donations that have not yet been paid out.

If you are able to respond to this message in the next 10 days, we can work with you to update your bank information to remove this hold and re-enable your account for payouts. Please note that the bank beneficiary name for your bank account must match the company name on file.

So that we can add information for your updated bank account, please respond to this message with an image or scan of a valid bank statement dated within the past 6 months, in English if possible. This should show the bank beneficiary name your account is under as well as the full bank account number, which must display all digits (not just the last 4 digits).

Please also write out the following information:

- * Name on bank account ("Beneficiary name"):
- * Bank name:
- * Bank address (include country):
- * SWIFT code or bank routing number:
- * Bank account number or IBAN:

Please let me know if you have more questions about updating your financial information on Facebook.

Thanks,
Han
Payment Support Specialist
